

CERTIFICATION OF ECO SUPPORT

Congratulations to

KANCHAN WANERE

1 tree has been planted in your name by **Adventures Overland** in association with its NGO partner **Treeties**, a grass root eco movement which has already planted more than 1 million trees at altitudes of 15,000 ft in the stunning Ladakh Region. These plantations are helping biodiversity to flourish by creating verdant habitats for migratory birds and other wildlife. Every tree planted enables an entire community to sustain itself while providing for a better planet. You are now a part of a legacy project.
